GREAT BALL GAME. The Ball Game at Athletic Park last Sunday afternoon proved to be one of the most interesting games of the season. The General Furniture Company team of Toledo came down to meet the Wauseon boys with a record of eighteen consecutive victories, but Wauseon was their Waterloo. The score stood 7 to 1 in favor of Wauseon and there were few dull moments from start to finish. The visitors brought a reinforced battery with Cone, Krop and Miller for the pitchers box and Sineas as catcher. Wauseon's battery consisted of Dull and Fraley and it sure was Dull's day, he allowed no hits up to the 7th inning and then only three were allowed to slip by. At the conclusion of the game he made a record of 17 strike outs while Cone of the visitors had a record of four strike outs. A feature of the game that stood out in dazzling brilliancy was the batting of Fraley, Wauseon's catcher, he made one 2 base hit, one 3 base hit and a Home Run and the "oldest inhabitants" declare that the home run hit was the longest in the history of the park.

This is the way the score looked:

R H E  
Gen'l. Fur. Co. 0000001001 35  
Wauseon 60000010x7 14 1

The Wauseon team will play at Delta Sunday afternoon.

HE STILL LOVES OHIO. A letter received by the Tribune from J. E. Reese of Merrill, Michigan dated September 15th says that they are having wet weather in the region; it rains every other day and is quite cool. The bean crop is uncertain on account of the wet weather, corn needs about three weeks of good weather in which to ripen; potatoes are rotting in the ground; hay was a short crop, but wheat and oats are yielding well and the beet crop is good. Farmers are doing lots of tiling using the ditching machine. The farmers have just completed a large elevator at Merrill and opened it to receive grain the first of September.

Mr. Stilson, of Toledo, field secretary of the Gleaners was instrumental in getting the farmers to co-operate in this enterprise and Mr. Reese advises Fulton county farmers to secure the services of Mr. Stilson if they ever decide to build a co-operative elevator. He says further, that Michigan is coming rapidly to the front and will be a banner state in a few years, but Ohio is more dear to him. He sends kindest regards to all his Fulton county friends.

A PLEASANT GATHERING. On last Wednesday twenty members of H. A. Haughton's S. S. Class of the Christian church met at the home of W. H. Mercer, honoring Mrs. Southworth. Mrs. Mercer's mother, who is a member of the class but unable to attend on account of poor health. A pot luck dinner and a good social time was enjoyed by all. The combined ages of the company was 1255 years, the oldest being 86 and the youngest 60. We all went to our homes feeling that it had been a day well spent and that in trying to make another happy we had increased our own happiness.

ONE WHO WAS THERE. The consolidated Delta-Wauseon Band will give a special concert at Delta Wednesday September 22, and at Wauseon September 23. Some very special numbers will be rendered. Turn out and hear them and don't be afraid to give them a hand as the boys are working hard to give the people of this vicinity good music.

Schools May Bar Children. Common colds are contagious and boards of health in many cities are considering barring children with colds from school. Foley's Honey and Tar is an old and reliable family medicine and frees children from coughs, colds, croup and whooping cough. Parents may save trouble by giving before school opens. ## Thrifty Saving Leads to Fortune.

Every great fortune had its origin in small savings.

Wealthy men have repeatedly risen from the ranks of newsboys and bootblacks.

The first savings bank abolished poverty in the little Scotch village, which was its birthplace, by making it possible to save small amounts. Previously the banks would not accept a smaller deposit than \$50.00.

The flexibility of the modern bank accommodates itself to every class of people. Even the little child who saves his pennies until he has a dollar to deposit has all our facilities at his command.
